Parish Representatives are placed at the entry to the church to ensure that congregants have checked in and must show the green tick to confirm.

If a person is unable to provide contact details, for example due to age or language barriers, another person may provide contact details on their behalf. If it is not possible for check-in to occur, keep a record of the name, contact number and entry time for all staff, volunteers, visitors and contractors for a period of at least 28 days. These records must be provided in an electronic format such as a spreadsheet as soon as possible, but within 4 hours, upon request from an authorised officer.

Manual check-in registration sheets are available at each church service.

Names of those not able to check-in electronically are kept for a period of 28 days by the Parish Office with a scanned copy and details saved on an excel spreadsheet.

Other types of venues or facilities within the premises must complete COVID-19 Safety Plans where applicable, including any play centres. If contact details are captured electronically upon entry to the main premises on the relevant day, additional collection of contact details via electronic methods may not be required if there is no other public access to the sub-premises. However, additional contact details and time of entry must be captured where these sub-premises are gyms, entertainment facilities, hospitality venues, nightclubs and retail premises.
