

## ***Sponsorship of Seminarians of the MST***

The Missionary Society of St Thomas the Apostle (MST) invites the support of devout Catholic faithful for supporting the seminary formation of its candidates to priesthood. Seminarians in the final stage of their formation (during their four years of theology studies) are assigned to the sponsors. Since the sponsorship is sought only for the major seminarians in the last four years (out of 12 years of total formation period) and the formation expenses exceed the stipulated amount, multiple sponsors are allotted to every seminarian, as per the availability of the donors.

**Undertaking by the Sponsors:** The donors support the seminarians both spiritually and financially. They pray for the seminarian they are assigned with and sponsor the expenses of his formation. Financial support can be given annually in four bursaries or as a single instalment, in the beginning. There is also the scheme of endowment in which the sponsor will be assigned with new seminarians every four years, until the demise of the sponsor. The following table gives the details of the payments in different currencies.

### ***Tariff of the Sponsorship***

<b>Currency</b>	<b>Yearly Instalment</b>	<b>Single Payment</b>	<b>Endowment</b>
INR	40,000/-	160,000/-	500,000/-
AUD	\$ 800/-	\$ 3200/-	\$ 10,000/-

**Commitment by the MST:** The Missionary Society of St Thomas the Apostle (MST) will assign one of its seminarians of First Year Theology to the donor. The MST will give the donor a photograph and personal information of the seminarian and will provide updates on his progress in priestly formation every year. This will include two personal letters by the assigned seminarian at Christmas and Easter, and a brief report on the progress of the seminarian annually sent in August by the General Councillor in charge of Sponsorship Programme.

The sponsor will be formally invited for the Priestly Ordination of the seminarian towards the end of the formation period both by the MST and by the respective seminarian. At that time, the contact details of the seminarian and that of the donor will be shared between them and they can contact each other directly, if both agree. Until then, the correspondence between them will be through the General Councillor in charge of the Sponsorship program.
